BSE/TSE Statement

We, (Huanggang Huayang Pharmaceutical Co., Ltd), herewith confirm that **Acetyl-L-CARNITINE HCL** has been assessed in respect to materials identified in the “Note for Guidance on Minimising the Risk of Transmitting Animal Spongiform Encephalopathy Agents via Human and Veterinary Medicinal Products (CPMP TSE Guideline EMEA/410/01 Rev -02)”.

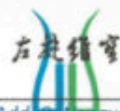

No risk materials identified in this guidance are:

- Used as reagents or starting materials in the manufacturing process
- Used as cleaning agents, lubricants, and softeners that are product contact
- Used in product contact packaging
- Used in the same equipment, or part of the manufacture of another material manufactured in the same equipment
- Used in another product within the same facility and have a potential to cross contaminate the material in question
