

Product Technical Data Sheet

Product name: Creatine Pyruvate

AC code: AC03001b

1. Technical Data Sheet

Chemical Name	N/A
CAS number	55965-97-4
Compliance (Food / Pharmacopoeia / FCC / Feed)	Food Supplement

Brief introduction:

Creatine Pyruvate (creatine pyruvate) is a supplement that combines creatine and pyruvate. Can enhance athletic performance and improve endurance.

Item	Standard	Analysis Method
------	----------	-----------------

Appearance & Solubility

Appearance	White or off- white crystalline powder
Odor and Taste	Neutral odor

Typical Analysis

Item	Standard Specification	
Loss on drying	Not more than 0.5%	HPLC
Pyruvic radical	Not less than 30.0%	HPLC
Creatine	Not less than 58.0%	HPLC

Heavy metals

Iron(as Fe)	Not more than 10ppm	HPLC
Arsenic(As ₂ O ₃)	Not more than 1ppm	HPLC
Heavy metals(as Pb)	Not more than 10ppm	HPLC

Storage & Shelf Life

Package	25kgs/drum
Shelf life	2 years
Storage	Store below 25°C and protect from heat and light.
