

Product Technical Data Sheet

Product name: MCT 70% Powder B Coconut

AC code: AC03001s

1. Technical Data Sheet

Chemical Name	N/A
CAS number	65381-09-1
Compliance (Food / Pharmacopoeia / FCC / Feed)	Food Supplement

Brief introduction:

MCT 70% Powder B Coconut is a white or off-white, free flowing powder. It is formulated from an oil-in-water emulsion composed of medium-chain triglyceride oil, embedded and then spray-dried to be a solid powder.

Item	Standard	Analysis Method

Appearance & Solubility

Appearance	White or off-white, Free flowing dry powder	
Odor and Taste	No rancid, stale, spoiled, moldy and other odors	

Typical Analysis

Item	Standard Specification	
Total fat content	66-72%	GB 5009.6
C8 (of total fatty acids)	≥55%	GB 5009.168
C8+C10 (of total fatty acid)	≥95%	GB 5009.168
Trans fatty acids	≤1.0%	GB 5009.257
Acid value	≤1.0mg KOH/g	GB 5009.229
Peroxide Value*	≤1.0mmol/kg	GB 5009.227
Protein content	2-10%	GB 5009.5
Moisture	≤3.0%	GB 5009.3
Ash	≤5.0%	GB 5009.4
Total arsenic (as As)	≤0.1mg/kg	GB 5009.11
Lead (as Pb)	≤0.08mg/kg	GB 5009.12
Total mercury (as Hg)	≤0.02mg/kg	GB 5009.17
Nitrate (as NaNO ₃)	≤100mg/kg	GB 5009.33
Nitrite (as NaNO ₂)	≤2.0mg/kg	GB 5009.33
Melamine	ND	GB/T 22388
3-MCPD (Calculate in free state)	≤0.30mg/kg	AOCS Cd 29b-13
Glycidyl ester	≤0.15mg/kg	AOCS Cd 29b-13
DBP	≤0.3mg/kg	GB 5009.271
DEHP	≤1.5mg/kg	GB 5009.271
DINP	≤9.0mg/kg	GB 5009.271
Benzo(a)pyrene	≤2.0µg/kg	GB 5009.27
Aflatoxins B1	≤0.5µg/kg	GB 5009.22
Aflatoxins M1	≤0.5µg/kg	GB 5009.24

Microorganism

Aerobic Plate Count(CFU/g)	n c m M 5 0 1000 -	GB 4789.2
----------------------------	-----------------------	-----------

Coliforms(CFU/g)	n c m M 5 0 10 -	GB 4789.3
Mould	<10CFU/g	GB 4789.15
Yeast	<10CFU/g	GB 4789.15
Staphylococcus aureus (CFU/g)	n c m M 5 0 <10 -	GB 4789.10
Enterobacter sakazakii(/100g)	n c m M 5 0 0 -	GB 4789.40
Salmonella(/25g)	n c m M 5 0 0 -	GB 4789.4

(1) * Refers to required test items.

(2) Causal test. Not each batch is tested.

(3) ND means not detected.

Storage & Shelf Life

Package	20kg per bag (regular)
Shelf life	2 years
Storage	indoor, clean, dry, avoid strong sunlight and keeping ventilated.
